

Summer Garden Tour, July 14, 2018

July 14, 2018 is the day of our District Garden Tour! Put it on your calendars and get on the list as soon as possible to reserve your seat. We will again enjoy the luxury of the Blue Star coach, visiting two exquisite gardens, luncheon, friends, and of course, roses!

9:50-10 AM Meet the Bus at Red Lion on the Columbia River, Jantzen Beach (Please carpool! We have permission to park, but not too many cars. I will have more information on the location of our parking area later.

From there we'll journey south to Tualatin and the garden of Carolyn Saba. Carolyn has recently moved to Oregon from Virginia with her husband and children. She has already won a top award in the Royal Rosarian Garden Contest, and plans to add more roses this year and enter again. We are in for a treat! The Sabas' acre-plus garden is exquisitely landscaped with trees, shrubs, and over 200 roses. You will delight in the hospitality of Carolyn, who is very excited to have us visit her garden. **(Be there about 75 minutes.)**

Then we'll head north to Ridgefield, Washington, to the home of Shelagh Kaseberg. Shelagh and her husband Peter live by their pear orchard in a converted barn. This dwelling is a marvelous showcase of architecture and the grounds are lush and lavish. You will admire the hundreds of roses which have been perfectly groomed and lovingly nurtured. Shelagh has also earned a top award in the Royal Rosarian Garden Contest. We visitors will enjoy a leisurely luncheon at the Kaseberg's garden, while strolling the grounds and enjoying the rural ambiance. **(Be there a total of about 2 hours.)**
